

# Looking for a... *Better* FUNDRAISING IDEA...?

LaserZone has been making donations to worthy causes since 1996, but now there's an even bigger way to help you raise funds for your group!

Your organisation can book a fundraiser Tues, Weds, Thurs and Sun nights for only £300 and keep 100% of the income from the event! With typical groups of around 100 people (at £10 each) your group can easily earn more than £700 in a single night! For example...

60x£10=£600 - You keep £300

80x£10=£800 - You keep £500

100x£10=£1000 - You keep £700

150x£10=£1500 - You keep £1200

Fundraising events include 4 hours of unlimited laser tag for up to 150 people. LaserZone will also provide you with pre-printed tickets, at your request, free of charge to help you maximize sales. What's more, each fundraiser ticket doubles as a pass good for 3 free games of lasertag, so even if someone can't attend the actual fundraiser, they can still support your cause while getting free games to use for another day! (3 games of lasertag would normally cost £14.25 per player, so even if they can't attend on the day, they are still saving £4.25 on our normal game price)

All laser tag fundraiser events under 100 players must allow casual players to participate, however the extra revenue from these players goes directly to you.
